#906 - BROOKS

THE COUNCIL FOR TOBACCO RESEARCH-U.S.A., INC.

May 23, 1973

Grant application No. 906

TO: The committee comprising Drs. Loosli, Sommers and Wyatt

SUBJECT: Robert E. Brooks, Ph.D., University of Oregon Medical School  
New application No. 906  
"Morphological Studies on Induced Pulmonary Emphysema in Rabbits"

History

In November, 1972 a preliminary inquiry was received from Brooks and Moore. It was staff judgment to invite an application without consulting the then Planning Committee.

Subsequently Brooks wrote for information about smoke exposure devices. Attached is a copy of Dr. Kreisher's reply dated November 30, 1972.

Application #906 requests \$14,658 plus two additional years.

Document Submitted (attached)

Application dated March 28, 1973.

Comment

In view of strong SAB competence in this area of investigation, no outside opinions have been sought.
